#### **EFFLUENT TREATMENT PLANT WATER DISCHARGE 50,000 Ltr/Hr**

**Staff/Workers** : 100% Male

The Group has recruited all well experienced & technically sound persons working as the top managements. The average age is 22 years and the minimum age is 18 years. The working environment at our factories is very convenient. All the working areas are very clean, well ventilated and adequately cooled. There are adequate exits in the event of emergencies and aisles are kept clear. Power supply, Gas, Water and all other utilities are available around the clock. We also have our own substation and generators in the event of a power failure. All the factories are in compliance with all applicable laws, regulations or statutes regarding health, building safety, fire and environmental issues.
